What is Titan Mobile?

This article contains an overview of the Titan Mobile application for mobile devices.

Titan Mobile is a mobile device service available for both Android and iOS devices. Titan Mobile allows students and faculty to access functionality in Titan Online via their mobile device.

Students are able to access their Student Center functionality; faculty can access their Faculty Center functionality.

Students

Currently the following functionality is available in Titan Mobile for students:

- view registration appointments
- search and register for classes
- view class schedules
- view grades
- view unofficial transcripts
- view textbook information
- view advisor notes
- view holds and to-do items
- view/edit personal info (name, emergency contacts, email address, FERPA privacy settings)
- view application status, accept admission, register for orientation
- view student financials account, enroll in payment plan/direct deposit, and make a payment
- view and accept financial aid awards
- apply for graduation, including paying grad check fee
- access TITAN Scheduler
- order transcripts
- enroll in CSU Fully Online
- access the Titan Degree Audit (TDA) and Titan Degree Planner (TDP) application

Additional functionality will be available in future enhancements of Titan Mobile.
