

Student Accept or Decline Admissions Offer

This guide covers how students can accept or decline their admissions offer to the university through their Student Homepage.

- You must turn off pop-up blockers in your web browser to avoid any issues, particularly with paying your enrollment administrative charge. <u>View</u> instructions on how to disable pop-up blockers.
- The team monitoring comments on this article does not work for Admissions. We are not able to verify admission status or answer studentspecific questions received in the comments. Please contact Admissions with admission status inquiries or Student Business Services with questions about payments.

1. Log on to the campus portal.

View instructions on accessing the campus portal.

2. Locate the Titan Online widget and click on Student Homepage. Or click on the PeopleSoft Apps shortcut and select Student Homepage.
